

**Múinteoirí Ray, John & Clíona are back with lots of After School Hub fun for you all!**

All this week they have **Karen Byrne** from Dancing with the Stars teaching us a hip-hop routine, get your dance moves ready!

**Phil the Science Guy** is here every day to show you some amazing experiments to try out at home.

And... drumroll please... INTRODUCING **MARTIN & MC** from **MARTIN'S SHED** who are just back from holidays on Mars and Martin's left something behind...

So kick off the school shoes, maybe grab a pencil, crayons and some paper and get ready to be entertained...

 Check out our very **cool new location** as Múinteoir Ray shows you around the Rediscovery Centre in Ballymun, Dublin. Later on, he will do an amazing musical beatbox lesson!

We all have to wear masks now to keep each other safe. Today **Clíona is testing out various fabrics** that masks can be made from and seeing how effective the material is by trying to blow out a candle.

 Have you ever been to visit the **Giant's Causeway**?! John will teach you about the legend of Fionn Mac Cumhaill & the myth of how the Giant's Causeway was created.

Múinteoir Clíona shows how to make beautiful **stained glass window art** by using coloured paper.

Have you learned 'Beidh Aonach Amárach' in school? You haven't sung it like this yet! Sing along with John as he croons '**Beidh Aonach Amárach**' and he even dances to the chicken dance!

 Using different facial expressions, **Ray will act out different emotions.**

Basil the **Great Maths Detective** - aka Múinteoir John - is on a BIG case - Clíona's necklace has disappeared... but he needs to use maths to fill in the magic number squares to solve the crime. Whodunnit?!

 Today Ray is showing us about using our brains to manage **risky situations.**

Have some paper at the ready... for **Skyline Art**: Clíona uses a layering technique to achieve this as well as identifying famous buildings around the world! We're going to be focusing on our own famous skyline in Dublin.

Ray teaches us all about the historical figure **James Connolly** - an Irish leader in the Easter Rising of 1916 - and much more.

How does sound travel? **Can sound travel between 2 plastic cups?** Today Clíona is making cup phones to show us how it works!

**Musical instruments** come in all shapes and sizes... have you heard of any of these: a Jaw Harp? An Okarina? Well Múinteoir John is going to play them for you!

Pencils and paper at the ready... Clíona wants you to sketch yourself or a family member dressed for their **career** or maybe your **dream career.**

The GAA is back, albeit a bit differently. Múinteoir Ray is teaching you how to make sure you can keep score with this **Maths GAA game.**

 It's Friday afternoon, and almost the weekend. To get you in the mood, take part in Múinteoir **John's Fabulous Friday Quiz!**
